

New Additions to the GCBC Library - July 2010

The Book of Life Series

The Book of Life Series helps you discover the Bible as a living book. It takes you back into the life and setting of Bible people as though you were there. You see clearly where they lived and how they lived and what they said and did.

The Book of Life series helps you discover from the Bible a richer life today and a better relationship with the Lord, the Author of the Bible.

Christian Heroes of the Faith

There are 35 new biographies for readers of all ages found in the young adult section. Learn about David Livingstone, Jim Elliot, and Amy Carmichael to name a few.
